Dear Families,

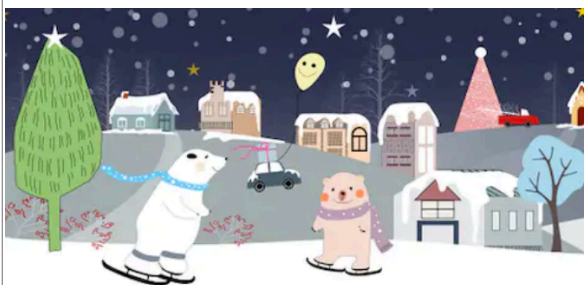

This is a reminder that **on Tuesday, November 26th from 7:00 pm - 9:00 pm, families will have an opportunity to hear from an Internet Safety expert** from the White Hatter team of presenters. For the evening presentation to families, we will learn tips and tricks to helping our children make safe decisions on the internet and how we can monitor it as parents. The following day, he will meet with our students in Grades 4 - 7 to help them understand how to make safe choices online. All families are welcome to attend the evening presentation. If you would like to attend the parent meeting, please email your RSVP to debeck@sd38.bc.ca. A notice was also sent home on Thursday. We would like to thank our PAC for sponsoring this event.
