Class Placements 2026-2027

(Organizing Classes for 2026-2027)

In the spring of each year schools begin their planning for the next school year. We have preliminary staffing meetings with board office personnel and review possible scenarios for organization in the Fall. The school population can fluctuate as students continue to move into the area, and some students transfer out. The final school organization and class placements occur in September, during the first week of school.

During this time, the professional staff at DeBeck begin to gather and share information in preparation for student placement in September. We are restricted by grades that are assigned to divisions (based on student numbers), and at times there are few options. We do however devote time, care, and effort in determining September placement. We include information about student strengths and needs, their social relationships (we try to ensure they have at least one friend), their interests, their learning styles, and previous placements.

Parental Input for Student Placement

2026-2027

Students are placed into classes in consultation with classroom teachers, learning resource teachers and principal/vice principal. Should parents/guardians wish to describe the learning situation and environment they feel best suits their children, or other factors which might influence placement, we ask that you click the link and complete the form. Forms will be accepted until the end of the day May 29th, 2026. The information you provide should not include a request for a specific teacher, but rather some important personal or educational information that will assist us in our decision. All information regarding placement are shared with teaching staff.

PAC Annual General Meeting - June 2026

It's hard to believe the school year is nearly over! As we look ahead, we invite all parents and caregivers to join us in person for the PAC Annual General Meeting on Thursday, June 11 at 6:30 pm in the school library.

This is a meaningful opportunity to get involved - we'll be holding elections for next year's PAC executive team and reviewing the budget plans for the year ahead. Whether you're a returning parent or new to the school, your participation helps strengthen our school community and support our children's learning journey.

All PAC executive positions are open for nomination, including Chair, Treasurer, Secretary, and District PAC Representative. We are specifically looking for a Co-Secretary and a Co-District PAC Representative. In addition, we are still looking for someone to take over the Hot Lunch Coordinator position for the next school year. The delicious hot lunches for the students would not be possible without this important role, and we may have to pause the hot lunch program without this role. If you're interested in putting your name forward or learning more about any of these positions, please email us at debeckpac@gmail.com.
