Dear Families,

Today staff spent the day with District Consultants learning about teaching, planning and assessing in a way that is accessible for all of our learners.

Thank you to Yumiko who helped by washing dishes last Tuesday after Breakfast Club. You can imagine that there are a lot of dishes to wash and load into the dishwasher after Breakfast Club, so any parents who are also able to stay behind on Tuesdays is much appreciated! Please email kpantaleo@sd38.bc.ca if you are able to help.

If you have any questions, please do not hesitate to contact us at kpantaleo@sd38.bc.ca or coanderson@sd38.bc.ca.

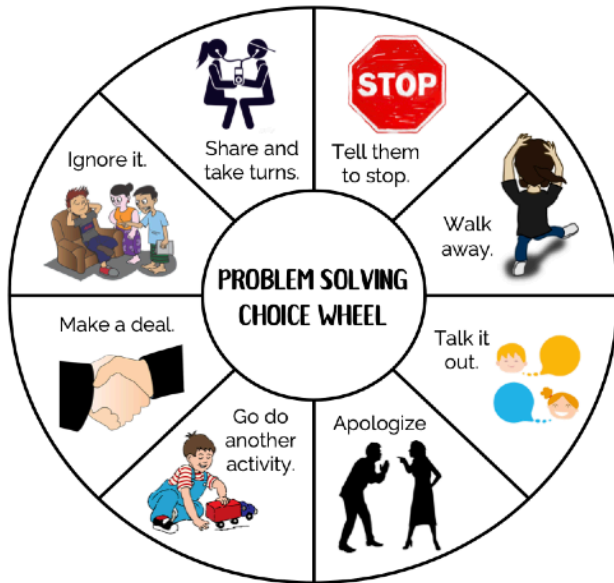

Wishing you all good health,

Kathy Pantaleo and Cori Anderson

WHAT CAN I DO?

Do you have a small or medium problem?
Try 2-3 of the following solutions.

Do you have a **BIG** problem?
Go tell an adult.

Connection Assemblies

Our Leadership students, also called the Connection Crew, identified helping students with solving problems as an important topic for our January assembly. We are encouraging students to work on solving small problems themselves before getting an adult to help. One helpful tool we shared with students is the problem solving choice wheel.

The problem solving wheel is also a helpful tool that families can use at home when learning how to solve problems respectfully and safely.

BREAKFAST CLUB HELP NEEDED!

We're in need of a few parents who can help with washing dishes after Breakfast Club. Please email: kpantaleo@sd38.bc.ca
