Dear Families,

In the next few weeks you can expect to read about Howard DeBeck Elementary in the newspaper! We are happy to share that the Ministry of Education will be announcing the approval of our Seismic Upgrade and Renovation starting this September. You can expect to begin seeing the addition of portable classrooms added to our back field, as well as other activity around our school in preparation for the construction. You can expect in about two year's time to see a completely transformed school both inside and out. We will be learning more about the plans in the near future, which we will be sharing with the community when they are finalized.

This coming week you will have an opportunity to meet with staff for Learning Updates. The focus on learning updates is for you to not only be provided with updates from your teacher in the areas of Literacy and Numeracy, but also learn about your child is developing with friendships, social skills and emotional regulation. If you have not yet scheduled a learning update conference with your teacher, please email them directly.

If you have any questions, please do not hesitate to contact us at kpantaleo@sd38.bc.ca or coanderson@sd38.bc.ca.

Wishing you all good health,

Kathy Pantaleo and Cori Anderson
