Upcoming Family/Teacher Conferences

Family/Teacher conferences are coming up. If you have not already, you will receive communication from your child(ren)'s teachers about dates and times for appointments. This conference is a time for families to share with teachers information or updates from home, and it's a time for teachers to share early

impressions of where students are progressing in the areas of Numeracy, Literacy and Social Emotional Learning.

Cross Country Run Club

Notices went home last week to those students who have been coming out to our Cross-Country Club practices. If your child is planning to join the Cross Country Fun Run at Garry Point park, please return the completed form to Mrs. Schwartz or Mrs. Anderson by October 12th. Our last two practices will be Oct 10th and 12th 8:15-8:30 AM.

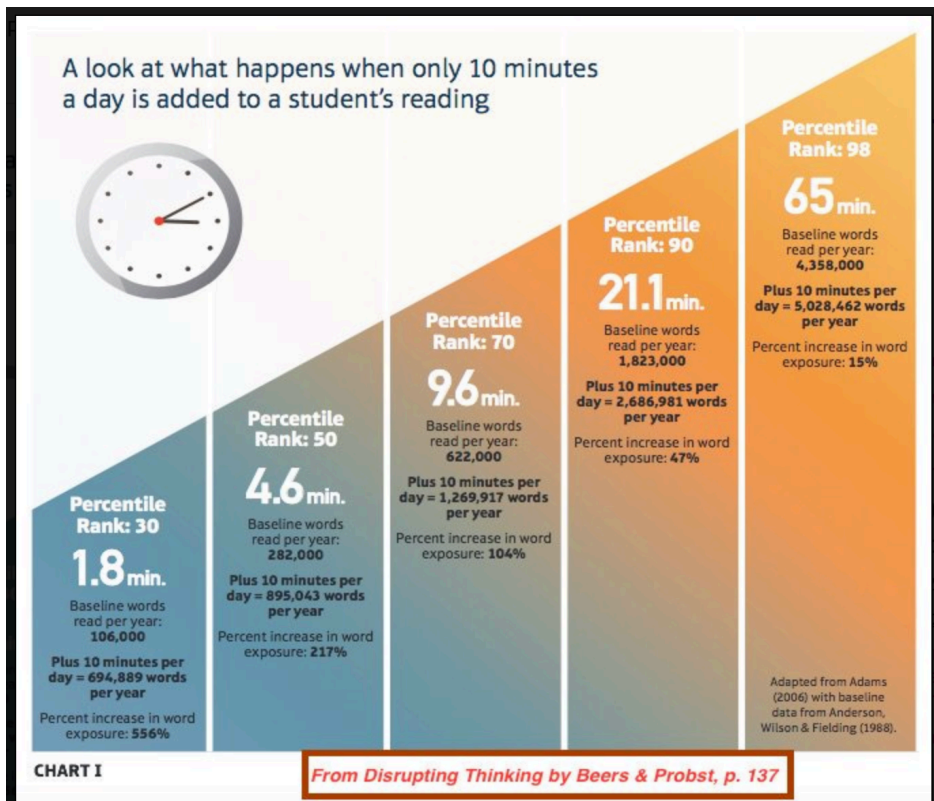

Terry Fox Run

Thank you to everyone who donated. We raised over \$700 for cancer research.

HEALTH AND SAFETY TIP

Wear a Helmet- It is great to see more students cycling to school. But as always we keep the safety of the DeBeck community as a top priority. With that in mind, a reminder of the importance of wearing a helmet when cycling, blading or skateboarding. Wearing a helmet reduces the incidence and severity of head injuries.

LEARNING TIP

Reading in Our Lives- Adding 10 minutes of reading time a day can have an amazing impact on our exposure to words and therefore our lives! Read in the language of your choice.
