SCHOOL NEWS AND UPCOMING EVENTS

Pink Shirt Day- Wednesday, February 26th is Pink Shirt Day. Pink Shirt Day is a reminder that even the smallest gestures— a kind word, a friendly smile, or standing up for someone— can make a big difference in creating a safer and more caring environment for all.

We invite students, staff, and families to join us in wearing pink to symbolize our commitment to ending bullying and fostering kindness. Beyond wearing pink, we encourage conversations at home about how small, everyday actions can positively impact others. Whether it's sharing a compliment, being a good listener, or helping someone in need, every act of kindness adds up to a stronger, more compassionate community.

Our student leadership group (Connection Crew) will be leading a Pink Shirt Day assembly for all classes to watch. A recording of the assembly will be sent home after February 26th.

Upcoming School Spirit Days-

Our student leadership group is organizing some upcoming School Wide Spirit Days. Mark your calendars:

to come
about these
days!

EGG TART FUNDRAISER

Thank you to everyone that was able to support our first Grade 7 fundraiser. The Egg Tart sale was a big success.

Keep an eye out for the next fundraiser near Valentine's Day!

WEATHER-RELATED SCHOOL CLOSURES

As you may have heard, there is snow in the forecast this weekend. The district will try to determine school closures due to inclement weather by 6:30am. Updates will be delivered using social media and district websites. We will also send an email to families and post on our school update by 7am if school will be closed. **Please do not call the school to check.**

SD38 website: <https://sd38.bc.ca/news/2024-11-13/inclement-weather-school-closure-notifications>

Facebook: <https://www.facebook.com/RichmondSD38/>

If snowfall begins while school is in session, in most circumstances, schools will remain OPEN until the end of the school day. If schools are open, and you wish to keep your child home due to weather conditions, you may do so. Please let your school know of this decision. Parents/guardians are responsible for their child's safe travel to school.

DISTRICT NEWS

Parent Education Session: Presented by Hannah Beach

February 25, 2025 | 6:30 – 8 p.m.

Children are becoming more anxious and aggressive. The common thread? A stark decline in free play. After this session, you may never see play the same way again. Our current culture has replaced play with entertainment and structured activities. We are now seeing the emotional side effects of the loss of play in the lives of children as aggression and anxiety in young people is at an all-time high.

The research is clear: children learn and develop best through play. And yet, children are playing less than ever. In fact, this is the first generation of children that does not have a play-based childhood. The side effects? Children and youth are struggling. It has become harder than ever to lead and care for kids.

This conversation has never been more important as we look at how we can support children's emotional health and learning. We'll unpack the science behind play and how it lowers anxiety and aggression, builds resilience, and fosters social and emotional health.

Little changes can have big effects. Join Hannah for a powerful workshop that will help you discover practical ways to transform your family culture and support your children in becoming their best selves.

PAC CORNER

PAC Executive Team

Several members of our PAC Executive will be aging out of DeBeck in the next two years as their children move onto high school. In May, we will be looking to fill several our Executive positions. If you are interested in taking on a role on our PAC or have questions, please email debeckpac@gmail.com

Hot Lunch is Back

Hot Lunch will be back in the New Year! The PAC has teamed up with some amazing vendors to bring you a tasty lineup of delicious options you won't want to miss. Ordering is now OPEN. <https://www.munchalunch.com/schools/debeck/>
