School Learning Story

Our Focus: How can we support students to deepen their reading comprehension, so they develop stronger reading proficiency and make meaningful connections to text and the world around them?

Check our our posts on our school focus and actions we are taking.

Dates of Significance in our Community

December 14-22: Hannukah

Hannukah, or the Festival of Rededication, celebrates the rededication of the Temple in Jerusalem after its defilement by the Syrian Greeks in 164 BCE. The eight-day festival has become a beloved and joyous holiday. It is also known as the Festival of Lights and usually takes place in December, at the time of year when the days are shortest in the northern hemisphere.

December 21: Winter Solstice (Northern Hemisphere)

The shortest period of daylight and the longest night of the year. This date is celebrated by, and has significance to, multiple cultures and religions.

December 24-January 7: Quviasukvik - Inuit winter feast and festival observed by the Inuit, Yupik, Aleut, Chukchi, Iñupiat, and NunatuKavut. Celebrates the coming year and placates the roaming spirits for good luck in the year to come.

December 24: Christmas Eve - The evening or entire day before Christmas Day, the festival commemorating the birth of Jesus.

December 25: Christmas Day - A Christian festival celebrating the birth of Jesus. Since the early 20th century, Christmas has also been observed as a cultural and secular holiday by Christians and non-Christians.

Around the School

Thank you to everyone who joined us at our Winter Breakfast Club. A big thank you to Ms. Abrams and the Dragon Band for providing entertainment.

It was lovely to see everyone connecting at our Breakfast Club this morning. Thank you for your donations to the Richmond Food Bank.

Division 4 hosted "Carnaval De Quebec." The students showcased exhibits from the Carnaval De Quebec and carnival games.
